Introductions

Identify Goals of Cultural Competency Group

- ❖ To provide to state a more comprehensive sensitivity to cultural differences so increased ability to coordinate and integrate programs and activities can transpire. Integrate Cult. Comp. into workplace and work plans through a systems approach.
- ❖ Definition: Use broader sense of term to include more than just race, ethnicity, gender, but also religion, income, user/non-user, sexual preference, disabilities, ect.
- ❖ Establish a Workgroup for the SPF SIG Project-discuss members with Lynn Smith and offer suggestions to the Gov. Office of possible chair.
- ❖ Identify different groups to be trained; TOT, Staff, Stakeholders, Grant Communities, Grant Review Workgroup, GAC and other key stakeholders
- ❖ Establish what kind of training would be most beneficial; overview, 2-3 day intense training, training which would enable each step of process to incorporate cult. Comp. into the processes, etc.
- ❖ Identify where trainings are to occur; Pre-bid Conf, TOT, Staff or Systems including PRC, CJI, Evaluators
